Mount Olive Mission School – School Managing Committee (MOMS-SMC)

MOMS-SMC is an officially sanctioned body, approved by the Board of Trustees of the school and recommended by the State Government under the Right to Education (RTE) Act. The primary role of the MOMS - SMC is to foster communication and collaboration among school leaders, parents, teachers, community representatives, and students, all aimed at enhancing the quality of school programs and elevating student achievement levels.

While the Principal is directly responsible for managing the school, the MOMS - SMC can support the school administration in formulating and implementing school-based policies, practices, programs, and activities that contribute to improving the teaching and learning environment.

The chair, in collaboration with the manager and principal, is responsible for determining whether a proposed agenda item is suitable for the MOMS - SMC to address. The MOMS - SMC is not intended to serve as a platform for addressing individual teacher, parent, student, or personal issues. The MOMS - SMC holds accountability to both the school and the school community, with the responsibility of acting in the best interests of the school and all students collectively. Additionally, the MOMS - SMC is accountable to its board and is obligated to adhere to the board's bylaws.
